Investigate your artist potential to sell artwork within the fine art market through an artwork critique. Discussion of technique, composition, color, choice of subject matter helps to draw out your professional goals. Explore placing artwork in private and corporate collections. Through Susan's constructive review of portfolios in a group setting participants can learn from her comments. Must bring only three examples of original artwork (no reproductions).

Materials:

Artist to provide three examples of original artwork (no more than 3 and no reproductions).
